

Mobile Phlebotomist

Want to be part of a very unique community health screening that is only happening in Louisiana? Have you heard the State of Louisiana wants to eliminate Hepatitis C in our state? Did you know Treatment for HCV now means a Cure for HCV.

Acadiana CARES in conjunction with the Louisiana Office of Public Health-STD/HIV/Hepatitis Program and LA Department of Corrections is seeking a Mobile Phlebotomist who will be part of a mobile team that is currently working at LA State Penitentiary (West Feliciana Parish) and then moving to parish jails to provide comprehensive HBV, HCV, syphilis and HIV screening to people who are currently in custody of LA Dept of Corrections and parish jails. You must be able to pass a Department of Corrections background check and a new hire background check with Acadiana CARES. Also some walking is required. All work related travel is reimbursed.

Required: Phlebotomy Certification

Preferred: RN or LPN Licensure

Desired: Reliable transportation, a valid driver's license and current automobile insurance. Completion of 100 successful blood draws within the last 18 months. Basic knowledge of CLIA, OSHA, and HIPPA standards and the ability to work within the LA Department of Corrections environments.

To apply for this position, send cover letter, resume and three professional references to: SHP_Resumes@la.gov Applications will be disqualified if not all the required documentation is submitted. Must Reference Mobile Phlebotomist. Applications **accepted until filled**. EOE/AA Employer.
