

Computer Support Technician

Southeast La. Area Health Education Center (SELAHEC), in conjunction with the Louisiana Office of Public Health STD/HIV/Hepatitis Program (SHHP), is seeking applicants to join our Health Systems team for the critical role of Computer Support Technician to work in the Louisiana Office of Public Health STD/HIV/HEPATITIS Program (SHHP) in New Orleans. The successful candidate will report to the Health Systems Manager and be responsible for leading the installation, routine maintenance, monitoring, troubleshooting and administration of the SHHP hardware and software technology.

Candidates for the position must have a Bachelor's degree in information technology or computer science with proven experience in information technology or electronic technician work. Relevant industry certification(s) is a plus.

Until filled applicants should submit a resume to SHP_Resumes@la.gov. Must Reference: Computer Support Technician in subject line.

EOE/AA Employer.
