

Solution Architect

Southeast La. Area Health Education Center (SELAHEC), in conjunction with the Louisiana Office of Public Health STD/HIV/Hepatitis Program (SHHP), is seeking applicants to join our Health Systems team for the critical role of Solution Architect to work in the Louisiana Office of Public Health STD/HIV/HEPATITIS Program in New Orleans. The successful candidate will report to the Health Systems Manager and be responsible for leading the technical study, analysis, design or implementation of solutions modernizing and integrating SHHP Health Information systems.

Candidates for the position must have a Bachelor's degree in information technology, software engineering or computer science with proven experience in software architecture and design, system integration, or system redesign.

Until filled applicants should submit a resume to SHP_Resumes@la.gov. Must Reference: Solution Architect in subject line.

EOE/AA Employer.
