

Ending the HIV Epidemic (EHE) Coordinator-Baton Rouge

Acadiana CARES, in conjunction with the Louisiana Office of Public Health-STD/HIV/Hepatitis C Program (OPH-SHHP) is currently seeking an Ending the HIV Epidemic Coordinator to lead and oversee the work of the Baton Rouge Ending the HIV Epidemic (EHE) Commission. The coordinator will work with commission members and leadership to implement the EHE work plan, convene and participate in local meetings and events as well as participate in statewide meetings and conference calls. The coordinator will foster and maintain relationships with community partners including but not limited to local hospitals, federally qualified health centers, local community based organizations, gatekeepers, and community members. A Bachelor's Degree in public health, sociology, social work, healthcare management, or closely related field and a minimum of three years relevant professional experience is required. Excellent verbal and written communication skills and demonstrated ability to collaborate with colleagues and clients of diverse races, ethnicities, religious affiliations/beliefs, genders and sexual orientations is also required.

Submit cover letter, resume and three professional references to: shp_resumes@la.gov.

Application Deadline is February 12, 2022.
