

Outbreak Response Disease Intervention Specialist (DIS)

Southeast Louisiana Area Health Education Center, in conjunction with the Louisiana Office of Public Health STD/HIV/Hepatitis Program, is seeking applicants for an Outbreak Response Disease Intervention Specialist (DIS) to work in the Louisiana Office of Public Health STD/HIV/Hepatitis Program in Lake Charles, La. The successful candidate will be responsible for disease intervention with individuals diagnosed with STDs and/or HIV and linkage to treatment and care services. Traveling throughout the nine public health regions to respond to public health outbreaks will be a key function of this position.

Candidates for the position must hold a Bachelor's Degree and have a minimum of two years of experience in a health or social services setting. Must have a valid driver's license and personal vehicle.

Open Until Filled; Applicants should submit a resume to SHP_Resumes@la.gov

Must Reference: Disease Intervention Specialist-New Orleans in the subject line.
