

Field Operations Specialist (Support)

Acadiana CARES in New Orleans in conjunction with the Louisiana Office of Public Health STD/HIV/Hepatitis Program (SHHP) is seeking applicants for an STD/HIV Field Operations Specialist. The successful candidate will coordinate and manage the Internet Partner Services Program, manage and monitor STI databases, provide technical assistance to Disease Intervention Specialists (trained public health specialists who conduct field investigations for disease prevention and intervention) in nine public health regions, and provide support services to the Regional Operations Unit.

Candidates for the position must hold a Bachelor's Degree in Public Health or a related field and have a minimum of two years of experience in a health or social services setting. A minimum of one year's experience as a DIS or case manager is preferred.

Applicants should submit a resume **by 12/30/22** to SHP_Resumes@la.gov
(**SHP** underscore **Resumes** at **la** dot **gov**)

Must Reference: Field Ops. Specialist in the subject line. EOE/AA Employer
