

## **Technical Business Analyst**

Southeast La. Area Health Education Center (SELAHEC), in conjunction with the Louisiana Office of Public Health STD/HIV/Hepatitis Program, is seeking applicants to join our Health Systems team for the critical role of Technical Business Analyst to work in the Louisiana Office of Public Health Bureau of Infectious Diseases STD/HIV/HEPATITIS Program in New Orleans. The successful candidate will report to the Health Systems Manager and be responsible for leading the analysis and documentation of program information systems used during the surveillance of infectious diseases including STD's, HIV, and Hepatitis.

Candidates for the position must have a Bachelor's degree in Computer Science or Information Systems or have achieved relevant certification along with documented experience as a Project Management Professional or Business Analyst supporting enterprise level implementation or reengineering projects.

No later than close of business July 7, 2023 applicants should submit a resume to [SHP\\_Resumes@la.gov](mailto:SHP_Resumes@la.gov). Must Reference: Technical Business Analyst in subject line. EOE/AA Employer.
