

## STATEWIDE TESTING SUPERVISOR

In response to the HIV, STI and Hepatitis epidemics in Louisiana, this position will oversee the planning, implementation, and monitoring of comprehensive statewide testing and related activities for HIV and STIs on behalf of LSU Health Sciences Center and the Louisiana Department of Health (LDH) Office of Public Health (OPH) STD/HIV/Hepatitis Program (SHHP). The Statewide Testing Supervisor serves as the principal administrator of all statewide HIV, Hepatitis, syphilis, chlamydia, and gonorrhea activities in vulnerable communities, funded partner agencies, emergency departments, correctional facilities, and other clinical and community providers. The Statewide Testing Supervisor will be responsible for designing and monitoring project work plans, initiating and supporting evaluation activities, analyzing, interpreting, and disseminating information, and supervising key staff.

### Qualifications

#### Required:

- Bachelor's degree in health education/health promotion, public health, public administration, health administration/healthcare management, social work or closely related discipline.
- Four (4) years of relevant work experience. At least two years of experience implementing and overseeing statewide programs and staff supervision.
- Three years of multi-parish or region experience may substitute for 2 years of statewide coordination.

#### Preferred:

- Master's degree in health education/health promotion, public health, public administration, health administration/healthcare management, social work or closely related discipline.
- Certified in Rapid Testing and Counseling
- Grant/technical writing experience; Data analysis and reporting; State or Federal government experience.
- Professional experience coordinating complex statewide programs. Experience in STD, HIV, and/or Hepatitis prevention. Grant/technical writing experience; data analysis and reporting experience; state or federal government experience.

### Applicant Instructions

- Send cover letter, resume, letter of recommendation, and 3-professional references in a PDF or MS Word attachment to: <https://lsuhsc.peopleadmin.com/postings/14595>
- **Month and Year** of employment are needed on the resume. Please provide to prevent delays in the review and/or need to request additional information.

Closing Date: **Open Until Filled**

LSU Health New Orleans is committed to leveraging diversity as an educational resource and an institutional core value. We seek candidates who will contribute to a climate where students, faculty, and staff of all identities and backgrounds have equitable access and success opportunities. As an equal opportunity, affirmative action employer, we welcome all to apply without regard to race, color, religion, age, sex, national origin, physical or mental disability, genetics, protected veteran status, sexual orientation, gender identity or expression, or any other characteristic protected by federal, state, or local laws.
