

Perinatal Case Manager

Acadiana CARES, in conjunction with the Louisiana Office of Public Health-STD/HIV/Hepatitis Program, is currently recruiting one individual in **Baton Rouge and Lafayette** to 1) connect pregnant women diagnosed with syphilis/HIV into medical care and community-based supportive services, 2) offer services to ensure treatment access and adherence 3) educate providers on STI/HIV screening guidelines, adequate treatment and current reporting protocols. Excellent skills in community engagement, facilitation, program implementation, and quality assurance. A general knowledge of communicable disease transmission, maternal and child health and health education is required.

Required Education and Experience:

Licensed Practical Nurse (LPN), Registered Nurse (RN), or Licensed Clinical Social Worker (LCSW) with at least 2 years experience with in-home health and/or social services delivery, medical case management, and/or treatment adherence programs. Candidates with at least one year of professional experience in maternal/child health and working with communicable diseases desired.

Acadiana Cares requires all employees to be vaccinated against COVID-19 as a condition of employment. To demonstrate compliance with AcadianaCares' vaccination policy, proof of COVID-19 vaccination status will be requested upon a conditional offer of employment.

To apply for this position, send cover letter, resume and three professional references to: STD/HIV/Hepatitis Program at SHP_Resumes@la.gov . Application deadline is **Open Until Filled**. Must reference Perinatal Case Manager **R4** in subject line. EEO/AA Employer.
